Selborne Park Golf Club

Pennington

Kwazulu - Natal South Coast

22nd - 24th March 2012

The Golf Course

My idea of a dream golfing getaway is to stay at a luxurious hotel, enjoying superb food and individual hospitality, all of which should be based around a really picturesque and challenging golf course. At Selborne, this dream comes true in every way

Selborne has established an international reputation and is now regarded as one of South Africa's most sought-after golfing venues for tourists.

The Selborne experience, whether as a visiting tourist staying in the hotel or as a permanent resident in the tasteful and stylish homes that unobtrusively are part of the estate, is shared with resident bush buck, grey duiker and the rare blue duiker.

Monkeys and a myriad of birds take advantage of the natural habitat of the lush foliage, indigenous trees and stately palms that add an aura of grandeur to this well preserved and cared for environment.

Golf is about a total experience. This includes not only playing the course, but also the welcome at the proshop, the attitude of the caddies and the attention to detail of the professional team. In all of these categories Selborne excels!
